VOLUNTEER EXPERIENCE

Voting Member of the BACnet Testing Laboratories Working Group

BACnet International

2015 – Present

Voting member since 2018

BACnet® International is an organization that encourages the successful use of BACnet® in building automation and control systems through interoperability testing educational programs, and promotional activities. BACnet® International complements the work of other BACnet®-related groups whose charters limit their commercial activities.

ORGANIZATIONS

Make-A-Wish® British Columbia & Yukon (02/2015 – Present)

I act as a liaison between wish children with life-threatening illness and the Make-A-Wish® office. I meet with the wish child and his or her family to plan their one special wish. I have worked on a wish to meet Spider Man, to go to Disney World and to have a full bedroom upgrade.

HONOR AWARDS

ControlTrends Rising Star Award Winner (01/2017)

BACnet International

- The Rising Star award is designed to honor someone fairly new to the industry who has already contributed to the betterment of the BACnet International association and showed a commitment to the BACnet community.
