An experienced ex-teacher with a penchant for writing and a desire to become a full-time translator and use his knack for writing and love for the language in general to reach the full potential in the field. Extremely responsible and focused when it comes to my job, used to working under ultra-tight deadlines if necessary. I'm a very shy person at first, but increasingly more open and humor-inclined as time goes by. Looking for the position where I would be able to put my versatility to a good use. A classic movie and literature buff, a movie blogger, a former amateur actor, an avid sports fan, and a former member of a student association raising awareness on the young with disabilities...
