## Experience

### Mickey truck bodies- High Point North Carolina

Number: 336-888-2280

Currently employed: \$13/h

Position: helped build walls for buses.

Reason of leaving: I have different abilities than the ones presented in this job.

### Ace/Avant- Archdale North carolina

Number: 336-431-5852

Employed from 06-21-2017 to 08-20-2017

### Future Plans:

- Become a translator freelancer
- Get a degree in Computer Engineering and computer science
- get some experience with this job and work for some time while still completing college

## Why I will fit in well with this company

- Comfortable with speaking to all kinds of people and really pay attentions to their requests/concerns.
- Can use a computer very well know the ins and outs of a computer and I feel really comfortable with handling one.
- I am applying not for the money but for the experience I want to gain some experience while studying in college.
- Always will be on work in time and will work overtime if needed too even on holidays and weekends.
