

Brandon Zarraga

Translator/Web developer

NAGUANAGUA, 2005, VENEZUELA

Profile

I'm currently seeking employment for personal growth and with it more than generic experience, if I'm to work independently or for a company I would like to surpass common standards and do something greater with the help of a professional synergy. I'm dedicated, resourceful, practical and if something needs investigation or learning, I'm the right man.

Employment History

Translator at Alpha Learning, Punto Fijo
July 2015 – October 2016

The academy counted as well with a translation department in which every teacher had to be part of, at least 3000 words were translated a week by each teacher.

English teacher at Alpha Learning, Punto Fijo
July 2015 – October 2016

The place of work was a Personalized one-on-one english teaching academy in where I needed to fulfill the specific amount of content for the alumni for their rapid and concise growth. Other responsibilities were conducting small oral practice sessions with a group of students from different english levels.

Educational Preparer/Sistemas department analyst at Universidad tecnológica del Centro (UNITEC), Guacara
September 2017 – January 2018

Adecuate the new students prospects in pre-university courses in various subjects such as communicational techniques and learning management.

At the same time I was working developing a web page and administrating the data from the students on the university's servers.

Education

Bachelor of Science, U.E El niño Don Simón, Punto Fijo
September 2012 – June 2015

Information engineering, Universidad tecnológica del centro (UNITEC), Guacara
September 2016 – Present

Courses

Patents and author's rights, CIAESIS
January 2018 – March 2018

Resourceful Thinking, UDEFA
October 2015 – November 2015
