SUMMARY

I am a translator with about 4 years of experience in this field. I do English-Haitian Creole (vice-versa) and French-English(vice-versa). I have an excellent knowledge of the english language while being a native Haitian Creole Speaker. I've mostly worked on medical and pharmaceutical project remotely and on site . As a young one , I am responsible , creative and I respect my deadlines.

Fast and accurate work is what I am good at.
