OBJECTIVE

To engage students in learning languages and transfer into them the passion I have for it, and the importance I see in it.

STRENGTHS

Tech sense and experience in usage of technology in the classroom. A big interest in languages, with a good understanding and familiarity in their learning.

EXPERIENCE

2015-2017

Arabic teacher in two middle schools (7th-9th grade) for Jewish students in Israel.

2011-2015

Content editor in a high-tech company – Digital Turbine Israel.

- The right hand of the head of the team.
 - Managing the cellular content of one of the biggest cellular companies in Israel.
 - Working with clients, and customer service for one of the music products.
-
