Profile

Highly skilled and experienced language transcreation specialist with a strong background in computer science, I offer a unique combination of technical expertise and linguistic abilities.

Employment History

Conference Host, Thon Hotels, Bodø

2016 – JUNE 2017

Storage Assistant, Fagmøbler Bodø, Bodø

2012 – DECEMBER 2016

Self employed

JANUARY 2016 – PRESENT

- Over my 7+ years as a self-employed professional, I have explored various industries and assumed diverse roles, enhancing my versatility. My work includes translating and localizing content, conducting Language Quality Assurance (LQA), crafting compelling copy, developing websites, and designing intuitive UI/UX interfaces.
- Proficient in CAT tools such as Trados, Fluency Now, and MemoQ
- I offer services in translation, proofreading, copywriting, and website quality checks.
- My language pairs include Swedish to Norwegian and Danish to English among others.
- I have collaborated with renowned companies like Facebook, Apple, Xiaomi, Amazon, Avinor, Sony, Ford, and NordVPN, providing tailored services that meet their highest standards.
