Professional Summary

I have no professional experience with clients or companies, but since I started graduating in translation, I have been training in some fields of work such as technologies, sports and politics. This gave an extensive theoretical and practical knowledge of linguistic studies so that I can apply them in real situations with the right techniques.

Education

02/2017 - 12/2019

São Paulo, Nove de Julho University (uninove)

Translation and Interpretation: Technical and Scientific Translation • Transcription • Subtitling • Audiovisual translation • Translation with WordFast 5.

Languages

French — Advanced level

English — Highly proficient in speaking and writing
