

# ALEKSEY FROLOV

TRANSLATOR

I am a recently graduated linguist looking for a job in the language field. I can provide language assistance, can do consecutive interpreting and prepare written translations.

I have experience of being an interpreter from Japanese at "World of Siberia" festival in 2018, and also I have worked as an individual written translator.

I can adapt to any situation and use new knowledge quickly.

I am looking for a full-time job in Moscow and remote job in any town.
