WORK EXPERIENCE

Game Localization Editor

The Pokémon Company International | Jan 2019-Present

Dissected and explained the mechanics of Pokémon Trading Card Game. Localized its game rules and card text into simplified Chinese. Ensured the accuracy of translation for every shipped expansion.

English/Chinese Two-Way Translator

Day Translations, Inc | July 2017 – Jan 2019

Translated and proofread general documents, commercial websites, including Vogue, financial reports, tech news, etc.

Contract Translator

Beijing TV | Feb 2017 – July 2017

Translated nationally broadcasted (China) documentaries including the Disaster of Air France Flight 447 & Univers Au Dela Du Visible – a documentary about physics and the universe..

OTHER EXPERIENCE

Facebook/Oculus Nextgen Symposium Presenter

Facebook, Inc | April 2018

Representing Georgia Tech's Game Design discipline, I was invited to Facebook HQ to demo my VR game "Singularity," which features flight and using physical props to aid natural locomotion.
