About me

Being An evangelical Christian, the Christian translation is my main area of expertise. I studied the holy bible from an early age. I start studying Christian content in English in 2015, I was a student at the World English Institute (WEI), and I passed the intermediate level.

What I am good at is drafting the Christian style in an easy way that Christian readers are familiar with.

I look forward to working with you.

For more about the quality I offer, feel free to contact the projects' managers I am working with at the mentioned Above.
