Translate or localize the client's original text, be that a manga, an anime, a novel, a game, a business or medical-related translation, depending on the client's preferred way of doing so.

Experience

▪ Freelancer Translator

Self-employed *Staufenberg, Hesse, Germany*

January 2020 - Present

I translated several short picture books, as well as a manga chapter, in total, equalling roughly, 10.000 Japanese characters translated into English. The picture book job is a long-term project with low workload.

▪ Waiter/Bartender

KORICO *Ebisu, Tokio, Japan*

November 2018 - June 2019

Worked in a Korean and Mexican-themed restaurant with all Japanese stuff. My roles were to take the customers' orders, relay it to the staff, and work as a bartender, in addition to serving as a bridge between foreign customers and the Japanese staff that spoke only limited English. I basically only spoke Japanese during the job.

▪ Part-time Worker

CRS Medical *Aßlar, Hesse, Germany*

July 2016 - August 2016

Worked at a company active in the department of medical engineering. It was a vacation job. My responsibilities were to conduct quality checks on medical equipment, readying sets of medical equipment for delivery, and inspecting and cleaning return shipments of sets of medical equipment.

▪ Part-time Worker

Maroton GmbH *Staufenberg, Hesse, Germany*

March 2016 - April 2016

Worked at a company that distributed ceramic resources, ecological building materials, and special building materials, which were deployed to the sector of geothermal energy production. It was a vacation job. My responsibility was to stack bags, each weighing 25 kilograms, onto euro palettes

▪ Magazine delivery person

Lahn-Direkt-Vertrieb GmbH *Staufenberg, Hesse, Germany*

April 2012 - December 2014

Worked at a company that functioned as a service provider for advertisers. My responsibility was to sign out catalogs in the district I had been assigned to.

Education

- **Bachelor's degree**

Justus-Liebig Universität Gießen *Gießen, Hesse, Germany*

Currently in my second semester of my first year, I study Language, Literature and Culture, with English and Spanish as my majors.

- **High School Diploma**

Clemens-Brentano-Europaschule Lollar *Lollar, Hesse, Germany*
2018

Graduating high school, and receiving a high school diploma that enables entry to further education like universities.
