

# Mgr. Zdenka Kolarova

Lawyer, writer, copywriter, translator and model

Law school graduate with a passion for creative writing. During studies focused on intellectual property law, financial law and the new trends in taxation connected with the industrial revolution (digital age, social media). The youngest speaker at the International Financial Law Conference Baltyczka. Creator of a complete guide for fashion models concerning taxation of their income. Copywriting, proofreading and translation of legal articles and textbooks (both in English and Czech) for two years. Currently working as an international fashion model, writer and co-founder of modeltheway.co. Motto: Explore and play, learn every day!
