## PROFESSIONAL SUMMARY

A professional translator and proofreader providing accuracy with deep understanding for both source and target languages. well talented and having the ability to transfer the exact meaning of the source language taking into consideration the culture of the reader receiving the final text. Multi-task person and aware of several across the world. The world "difficult" never expressed here: translation is mere enjoyable challenge. to keep on the successful career path. It is important to seek an ambitious client or company through which development and cooperation can be met.

I have a certificate from Wikipedia org and ideas beyond borders org for my efforts in translating more than 100 k word

## WORK EXPERIENCE

### **Ideas beyond borders. translator (full time)**

2/12/2017 -to 4/5/2019

Working as a full-time translator for a multinational translation company that provide a translation for the Wikipedia org in all languages including Arabic. Managing to translate around 2500 word per day with average speed of 30 words per minute with high quality and accuracy. Editing and online publishing are highly achieved.

### **I believe in science. translator part time**

2015-2017

It was a volunteer work, translating articles about physics and space with a team from all around the Arab countries.

### **Ted-Amara subtitling videos**

6\5\2017-to 2\4 2019

I've subtitled hundreds of videos created by experts on topics ranging from history to science. It was great voluntary experience.

### **Wikipedia. translator**

2016-to 2019

I gained a lot of experience, and contributed to translating more than 300 articles around 100 k words, and I have a certificate certified by the organization.

### **Freelance translator**

2012- 2016

Working with various clines across the world in different fields – mainly engineering - economics – politics.

### **Translators Without Borders**

I have supported global humanitarian work by providing document translations free of charge.
