THESIS: *The "securitization" of Ellsberg and Snowden?* – Analyses how the American political establishment and in expansion American society deals with whistle blowers. The underpinning of the thesis is a comparison of Daniel Ellsberg, who released the Pentagon papers in the 70s, and Edward Snowden, the man who revealed widespread illegal surveillance by American intelligence services in 2013.

Latin & Modern Languages 2002 – 2008
Sint-Gertrudis College Wetteren

HOBBIES

I play the bass guitar, like to explore cities and read when I can find the time, mainly politics, culture, new tech and history.
