## VOLUNTEERING EXPERIENCE

### Doğa Derneği (Association)

*Doga's mission is to defend the rights of nature in all its forms. I have been translating documents from English and German to Turkish for Doga since September 2020.*

### Care-4-life (Association)

*Care-4-life is a German association (Eingetragener Verein). Its mission is to protect the stray dogs in Turkey, to provide them a safe place to live and to find them a forever home. I translated their website pages voluntarily. I have also worked in their shelter for a short period of time, in 2020.*

## LANGUAGES

Turkish - Native

English - Proficient

German - Beginner

## WORK HISTORY

### De Marke (September 2020 – March 2021)

*As part of an internship program, I worked as an editor in a social media agency, named De Marke. During the internship, I translated news from other languages, wrote articles and generated ideas for sports related images. I was responsible for their Telegram channel and the mobile app.*
