Professional Profile

[?] Began my career as a sub-editor with a leading Bengali daily, *Uttarbanga Sambad* in 2012 in Siliguri. Primarily my job was to edit copies sent by reporters, co-ordinate with reporters, translate national and international news from English to Bengali, translate post-editorial copies, select news and photographs for page make up, write feature stories etc. I was the chief editorial assistant in National and International news section. I worked as a field journalist as well. Did a few special *investigative stories*. Left *Uttarbanga Sambad* in August, 2017.

[?] Joined another leading Bengali daily, *Bartaman Patrika* as translator in August, 2017 in Kolkata. Left the job in July, 2019.

[?] Joined a sports news website, which is part of leading cricket website *crictracker and Sports info*

(joint venture), based in Kolkata (please check the link to see my published article: www.sports.info and choose Bengali from language section dropdown) as Translator cum Sub Editor since July 2019. Worked till July, 2020.

Currently working as full-time freelance translator and/or language expert for various national and international concerns.

Some of them are as following:

1. **Facebook's** Bengali language expert with a leading language vendor **RWS Moravia**. Have been working with them since November 2020.
2. Bengali language expert for a leading localization agency based in California, named **Lilt**. I mainly translate for **Snap Chat's** user interface strings with them. Have been working for them for the last 2 years.
3. Bengali language expert with a California based organization, named Spec Translation for the last 2 years.
4. Bengali language expert for **Amazon's** shopping website. I have been directly working for the last 2 years with their European Headquarters office, which is based at Luxembourg.
5. Bengali translator with a start-up based in Bangladesh (Rangpur), named **Infinity Solutions** for the last 3 years.

[?] Achievement- I have written a book on the NRC debate of Assam, Titled **Jader Kono Desh Nei (The Stateless People)**, which has been appreciated by many. It was my debut book, released in December 2018.
