Assistant Architectural Technician in Local Office, Freelance Translator of English, Turkish and Arabic, Part-time Writer and Poet

Work Experience

Assistant Architect

2012 to Present

Art Design

Kocaeli/Turkey

We design houses and apartments sometimes farms and cabins for the people.

Translator and Interpreter

2018 to Present

Individually

Kocaeli/Turkey

I have been translating texts and articles mainly on history, literature, religion, social media etc. since my graduation. I am currently studying and reading about history and linguistics without schooling. Soon I would like to participate in a field dealing with one of them in Post-Graduate Mastery Education.

Novel Writer and Poet

2009 to Present

Self

I have also been writing on historical, fantasy and various poems since my childhood. It's one of my hobbies in this short life.
