Work experience

APPEN

August 2020 — Running

Transcription

I am working on Brahmaputra project. It is a loft based Bangla transcription job. I transcribed more than 10 hours for the project. And this platform is friendly to work on.

ECCELLENTE

July — October

Transcription

I transcribed Bangla audios for them. I had to work on loft tool for the transcription. Transcribed more than 20 hours of file for them. Currently they are not running this project anymore.

Word Publishing

June 2019 — July 2019

Translation

I have worked for them in Literature domain. I have translated 45000 segments for them. It was a great working period for me because the project is spontaneous and my PM was very cooperative. I have translated English to Bengali for them.

Langscape

November 2019 — Current

Translation and Review

They provide me work whenever they got project related to my language pair and I completed those. I have translated around 21000 words for them and reviewed around 7500 words. So here i have worked on various domain like Economics, IT, Tourism, Refugee camp etc.

Datamundi

January 2019 — March 2019

Reviewer

I helped them in a BTE project, I am actually a reviewer in my language pair. I have almost reviewed 50000 segments for them.

Translation Gate

August 2019 — August 2019

Translation

It was a single job. I have translated a manual for them related to Mechanical and Electronics Engineering.

Enkoline

May 2019 — June 2019

Translation

I have worked for them in various project related to Rohingya camp between two month period. I translated some pdf file for them.

Education

Economics
