Personal Introduction

I am a highly capable and proficient translator with 5 years of experience translating a wide range of copy for a large Germany-based client. I am also effective with machine- translation post-editing. I have a strong eye for detail and a keen ability to research and provide accurate and natural sounding translations.

-

Date: June 2019 - May 2022

Competencies

Time Management and Communication

For the past four years I have successfully managed my time and workload to deliver quality work on time. I take pride in my communication skills and time management strategies, and am not afraid to go the extra mile when a particularly time-sensitive project arises.

Languages

English - Mother Tongue
German - Fluent
French - Intermediate
Italian - Intermediate
Japanese - Beginner

IT Literate

II am comfortable and familiar with Trados Studio 2017, and have some familiarity with other translation software. I am very proficient with Windows and macOS, having worked in IT for a long time. I am quick to learn new software and workflows, as well as diagnose and resolve issues that may lead to reduced efficiency.
