## EXPERIENCE

### **Langscape, India — Bengali *Translator***

June 2019 - Aug 2019

I have work for them in Literature domain. I have translate 40000 segments for them. It was a great working period for me and my first freelancing job as a translator.

The project is spontaneous and my PM was very cooperative. I have translated English to Bengali for them.

### **Word Publishing, India — Bengali *Translator***

Aug 2019 - Jan 2020

They provide me with work whenever they got project related to my language pair and I completed those. I have translated around 40000 words for them and reviewed around 8000 words. I have worked on various domain-like Humanities, IT, Tourism, Refugee camp etc. They used to ask me to use different CAT tools for different projects.

It was a pleasure to work with them, I will work with them if they ask me to do again.

### **Enkoline, South Korea— Bengali *Translator***

Sept 2019 - Sept 2019

It was a single file project. They have a manual for some machine. The ppt file was related to Mechanical Engineering and Electrical Engineering. I was very happy to work in a domain where I can use my subject line knowledge.

### **Translation Gate, Egypt— Rohingya *Translator***

Sept 2019 - Sept 2019

I am a native Bengali speaker based in Chittagong. So I am familiar with Chittagongoian dialect. And that is closer to the Rohingya language. So I have worked for Translator gate in one or two translation project where Rohingya translation is needed. This stuff was related to sub- medical and personal hygiene related.

## SKILLS

Microsoft Office, Google Doc,  
Google Sheet, SDL Trados,  
Memoq+, Smartcat, HTML5, C

## LANGUAGES

Bengali(Native), English (  
Advance)

### **CMM language, India— *Bengali transliterator***

Sep 2019 - Sep 2019

This was a transliteration project. They have 1400 or more train station name to be transliterated in Bengali. I have done that for them. It was a very small project but I want to do the job what comes into my plate for the experience.

### **Datamundi, Belgium— *Bengali evaluator***

Sep 2019 - Mar 2020

Datamundi is a renowned agency for NLP related project. I work as an evaluator for them in a Binary translation evaluation project. I was a reviewer. I reviewed source segments, target segments and translation quality. I have to work on their online portal. I have reviewed around 120000 segments for them. It was very pleasing to work with them because their staff are very helpful and cooperating.

### **Lionbridge, America— *Bengali Translator***

April 20120 - April 20120

They are trying to do some research on Chittagongian language as a regional language. They asked me to participate in a 6 hours project where I try to gather some information related to the language and its orthography.

### **Lingual consultancy services PVT LTD(LC), India— *Bengali Transcriber***

April 2020 - present

They need Bengali transcriber to transcript some audio file with timestamps and tagging. I assume this is for subtitles. I use workbench tools to complete the project. I have transcript 3 hours of audio and they promised me there will be more.

### **Lingua world services, India— *Bengali audio translator***

April 2020 - Present

They have some Bengali audio that needs to be translated into English. For the confidentiality of the job, I can't disclose the domain. But I have translated two hours of audio for them. If I state it in the word it will be 25000 words that I have translated from Bengali to English.

## **EDUCATION**

### **Bangladesh University of Business & Technology, BUBT — *BSC Engineering***

Jan 2016 - Current

I am computer Science and Engineering here. I am in the final semester of my bachelor degree.

## **Interests**

I am an Engineering student. So I have interests in learning new thing and tools all the time. I am an enthusiast about networking and cybersecurity Except from work love to watch movies, TV series and listen to a different kind of music. And I am interested in knowing other's culture.
