DANILO SANTANA

Translator / Proofreader / Subtitles

WORK EXPERIENCE

I am an experienced translator with over 1 million words translated and over 1200 videos subtitled.

I also work as a volunteer translator for Wikipedia, Translators Without Borders (TWB) and TEDx, where I subtitle videos (speeches).

Some apps and games I have translated as a volunteer: OpenProject and QOwnNotes; and games: Factorio, Life is Feudal, Undercover, game companion apps, and more.

I have already worked as a Full-Stack Web Developer where I also performed the translation of the websites and products developed along with other fellow translators.

I have a certificate on Freelance Translation

I am also a certified translator on Proz
