Career synopsis	I have started writing 35 years ago and since then writing for various Hindi magazines. Afterwards I started to write in Urdu and till now I am connected with number of Urdu Magazines and my poetry and articles are published in them. I had written script for some TV shows for Lucknow Doordarshan in 1994-97. From about six years I started working with some translation agencies and translated many books and documents in Hindi and Urdu. As I have equal command on Hindi and Urdu and I am a writer myself, it is a fun for me to translate books.
