BIOGRAPHY

A native Arabic speaker who can make perfect translation in the pair of Arabic-English. Scored 90 in STEP equivalent to 522 in TOEFL. Worked with different clients on many projects, like, localizing an IOS app's content, translating menus for restaurants, translating marketing advertisements and many more on different freelancing websites. I like to spend my free time by playing football or watching it, play videogames or watch movies, series and anime. Tambien aprendiendo Espanol actualmente y otros idiomas muchos en el futuro.

SKILLS

- Professionally translate each document with high accuracy, extreme care and full attention to minor errors and spelling mistakes.
- Obligated to revise each document carefully before delivering to ensure document neatness.
- Always committed to delivering work on time
- Efficient time management skills
- Attended various courses in multiple fields like, Engineering, Architecture, IT and Programming, and Hardware and Software.
