EXPERIENCE

Langscape, India — Bengali *Translator*

June 2019 - Aug 2019

I have worked for them in the Literature domain. I have translated 20,000 segments for them. It was a great working period for me and my first freelancing job as a translator.

The project is spontaneous and my PM was very cooperative. I have translated English to Bengali for them.

Enkoline, South Korea — Bengali *Translator*

Sept 2019 - Sept 2019

It was a single file project. They have a manual for some machine. The ppt file was related to Mechanical Engineering and Electrical Engineering. I was very happy to work in a domain where I can use my subject line knowledge.

Lingual consultancy services PVT LTD (LC), India — *Bengali Transcriber*

April 2020 - present

They need Bengali transcriber to transcribe some audio files with timestamps and tagging. I assume this is for subtitles. I use workbench tools to complete the project. I have transcribed 3 hours of audio and they promised me there will be more.

Lingua world services, India — *Bengali audio translator*

April 2020 - Present

They have some Bengali audio that needs to be translated into English. For the confidentiality of the job, I can't disclose the domain. But I have translated two hours of audio for them. If I state it in the word it will be 15,000 words that I have translated from Bengali to English.

EDUCATION

Bangladesh University of Business & Technology, BUBT — *BSC Engineering*

May 2018 - Current

I am computer Science and Engineering here. I am in the final semester of my bachelor degree.

LANGUAGES

Bengali (Native), English (Advance)

SKILLS

Microsoft Office, Google Doc, Google Sheet, HTML

Interests

I am an Engineering student. So I have interests in learning new thing and tools all the time. I am an enthusiast about networking and cybersecurity Except from work love to watch movies, TV series and listen to a different kind of music. And I am interested in knowing other's culture.
