## About Me

Hello! I'm Kevin, a Cambridge certified translator based in São Paulo, Brazil. I'm currently studying for my Bachelor's Degree in Literature and Linguistics at the University of São Paulo. My native language is Brazilian Portuguese, and I have 5 years of experience in translation. I am passionate about studying communication. My specializations are Gaming, Marketing, Finances and Medical translations. I seek excellence in every job I do, and understanding what my client wants is a fundamental piece in that process. Personally, I love new challenges!
