Profile

Brazilian, of Spanish descent, I have always been passionate about studying foreign languages and have spent my life learning them. I currently speak 4 languages: Portuguese, English, Spanish and French.

I have a degree in Law and work in the legal area since 2011. However, I am interested in multiple subjects, with emphasis on the following topics: entertainment (games, movies), science, technology, tourism, economy (investments) and law.

All of the above areas are subjects of my personal interest and with which I am familiar, so I will be happy to assist you.
