PROFILE INFO

Professional linguist with over 5 years of experience in the localization industry. My expertise includes translating and reviewing various types of materials, such as proprietary scientific content, large-scale gaming, UI/UX content, and e-commerce localization. My goal is to deliver accurate and culturally appropriate translations for clients while maintaining the deadline.

WORK EXPERIENCE

- Team Lead II **Amazon** 2021 - Present
 - Revise & Score translated marketing files using ATMS
- Senior Translator II **RWS Group** 2019 - Present
 - Translate various telecommunication brands' content for their UI; like Samsung, Motorola etc.
- IT Translator II **Ad-Astra, Inc.** 2019 - 2021
 - Translated UI/UX content, ensuring seamless localization and customer satisfaction.
- Subtitled II **Screen Language** 2018 - Present
 - Specialized in subtitle translation, delivering accurate & culturally appropriate captions for audio-visual content.
- Transcriptionist II **Elite Asia** 2018 - 2020
 - Worked as a transcriptionist for Elite Asia, accurately transcribing audio and video content to written form.
- Translator II **MK Translations** 2018 - 2019
 - Translated gambling website content, ensuring seamless localization and appropriate messaging for a global audience.

VOLUNTEERING WORK

- Volunteer Translator II **TWB** 2018 - Present
 - Volunteering as a translator, using language skills to support global humanitarian efforts.
