

# ABASIN LINGUISTIC SERVICES (PVT) Ltd

Right Language for Right People

## Translation and Localization

Welcome !

## ABASIN LINGUISTIC SERVICES

*We are masters in regional and international languages*

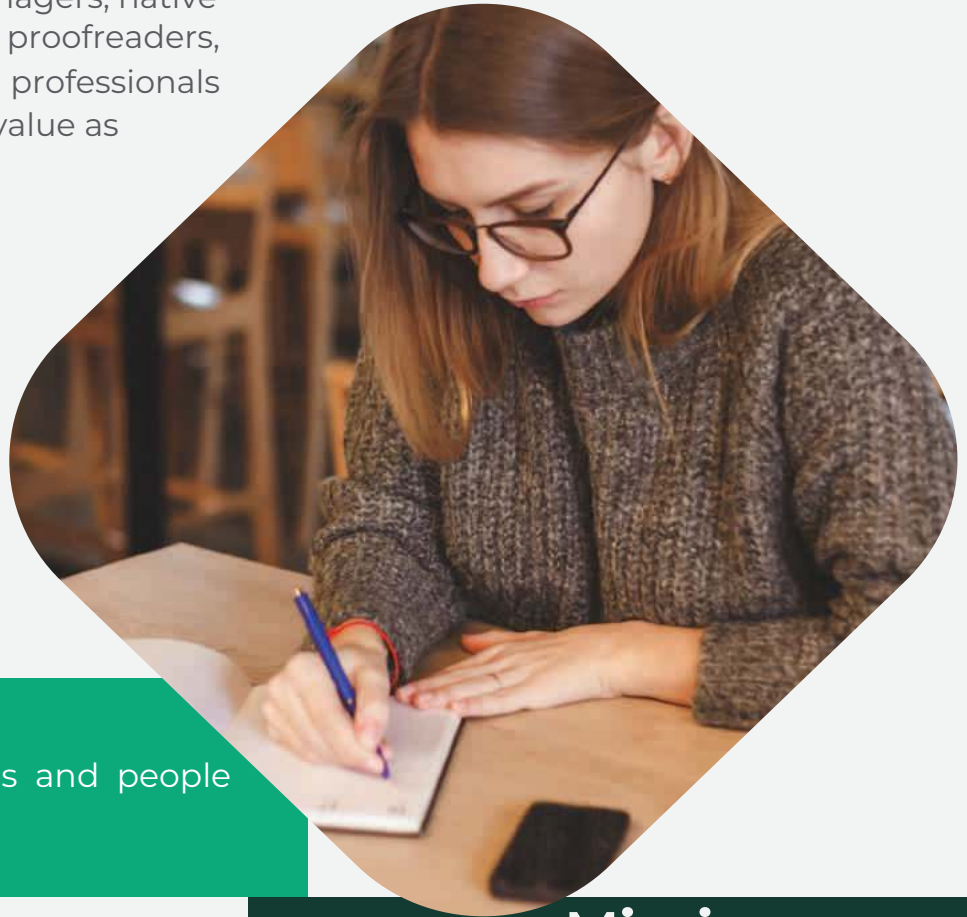

As a regional and international linguistic services provider, we have a network of native qualified and specialist translators who are masters in their language pairs and use all major CAT Tools. They accomplish their projects within the set deadlines while maintaining quality and professionalism as their key strengths.

---
