SKILLS

Translation

- I love both English and Urdu languages, their literature both contemporary and classic. My command over use of both languages and their grammar, gives a unique flair to my translation.
- I use state of the art PAID Computer Aided software to do 100 % HUMAN translation, without any linguistic and grammatical errors.
- My translation subject specialties include: Physics, Administration, History, Political Sciences, Geography, Mathematics, Philosophy, Commerce, Chemistry, Linguistics, Botany, Sociology, Mass communications, Statistics, Economics, Accounting, Audit, Revenue and customs to include formal, informal and idiomatic language use including all types of documents.

Editing/ Proofreading

- I can edit/ proofread both in English and Urdu with track changes.
- I am expert in MS OFFICE/ MS Word, Typing in English,
