## **PROFILE**

I am passionate, dedicated and a geek. Very professional, flexible, deadline-driven and a detail-oriented person. From volunteer work to paid jobs, I've had a year of experience so far. Interested in General Translation, Transcription, Subtitling and MTPE. I can easily work with areas such as games, movies, technology, arts, science, finances, history, news, marketing and much more. I am always enlarging my knowledge in as many areas as possible.
