# ABOUT US

At WISSE Translations we have achieved a high level of excellence and reputation that helps us open your business to the world in the best possible way. With our rich network of professional and native translators, WISSE Translations is able to support your needs in various fields such as business, finance, law, marketing, medical as well as technical and many others. WISSE team is continuously growing and improving by attending numerous training sessions and seminars. This helps us to stay focused on customer's needs and to provide the best solution for their necessities. We use several CAT-tools in our translation services as: TRADOS, SDLX, Wordfast, Across, MemoQ, Transit, Memsource and many other, as well as softs for audio and video editing. Our offices are based in the US and Europe, that's why we can take your inquiries 24/7 and deliver within suitable timing for your projects.
