Who am I?

Hi! I am a translator with over 7 years of experience in the translation of books, technical and legal documents. I have a B.A. in Modern Languages, certified in translation from Spanish to English / English to Spanish. I am passionate about languages and about our capacity to transmit a message accurately, regardless the background or culture of the receiver. This allows me to put all my efforts into each project and to provide quality work to meet the expectations of the client.

What do I Include?

I will carefully read your project, thoroughly research about the topic, and remain in communication with you in order to meet your expectations. Expect exhaustive proofreading, special attention to grammar and consistency, and a quality result delivered in the expected timeframe. Do not expect machine translations! I will focus my work on your indications and needs, regardless the length or subject of the project.
