Profile

I am a passionate person in learning a variety of values, and challenging new things to become a creative person with full responsibility. I have experiences in interpretation, translation and giving a presentation on stage, regarding social issues or topics, and participated in many English speech contests in a variety of fields, such as economy, business, environment, and culture. With an experience in dealing with different cultures and nationalities, I am a key team member with a strong passion to become a creative, adventurous, positive person.
