JASON KELLY

Director of PT Bale Kreatif, Australia

The love of life and integrity within Alfawzia Nurrahmi, Pruf Ritz’s founder, were the things that initially drew my attention. Since working for the first time with Pruf Ritz in 2014, I often recommend Pruf Ritz to friends and colleagues who need a fast and professional service. Almost everybody can claim to be a translator and interpreter, but only a few can do it well, and even fewer can do it as well as Pruf Ritz’ team.
