

Mr Janos Keskeny

HUNGARIAN TRANSLATOR

✉ Liverpool, L12, West Derby
@ liverpoolinwork@gmail.com

Personal Profile

Janos is working for agencies as a self-employed face to face Hungarian interpreter. Also, he is assigned with translation works of legal documents. Specific area is the Health Sector as an interpreter since he has started his self-employed business in 2016. He is eager and determined to put more emphasis on translations of legal documents. He has strong skills, such as organizational and timing skills, teaching skills, analytical skills, namely understanding and analysing, perceiving structures, problem solving, extracting key information. The applicant is looking forward to opportunities to help neighbours, therefore at the weekends he is volunteering (virtually at this time). Based upon a classroom assessment, he is a theorist, that is equipped with skills like these:

- Logical, "vertical" thinking,
- Rational and objective
- Disciplined approach
- Good at asking probing questions.

The applicant has further strong skills, such as organizational and timing skills, teaching skills, analytical skills, namely understanding and analysing, perceiving structures, problem solving, extracting key information.

Actually, the applicant is going to achieve The Diploma in Translation. The CioL DipTrans is a professional qualification, recognised and accepted both nationally and internationally by the translation industry. Set at Level 7 (post-graduate Master's level). If you can offer him assignments of document translation, please get in touch with him via email, highlighting opportunities and hourly rates with your company. Janos has been awarded with settled status in the UK. He is going to remain self-employed. Your response is highly appreciated.
