SUMMARY

A seasoned freelancer and native speaker, with vast experience in transcription, translation, localization, interpretation, and proofreading of English (US & UK) to Igbo and Pidgin Nigerian languages. A team-lead of native speakers and professionals of other African and Asian languages to English (US & UK). Having a proven ability to collaborate onsite and virtually with clients in various time zones, delivering quality work within the shortest possible turnaround time.

WORK EXPERIENCES

Freelancer Editor, Transcriber, Translator, and Interpreter. **January 2016 - Date**
(Verbolabs, Christian Lingua, Localize Africa, Verbaltrans, iVoiceAfrica, Fidel Softech, ProZ.com, Gotransparent, MagnonSancus, LocalizationLine,)

Editing/Proofreading Roles: Proofread over 1 million words of podcasts, gaming, media adverts, Christian religion, general business, and other fields from English to Nigerian Pidgin, Igbo, and other languages. Ensuring all typographical, vocabulary, grammar, semantics, style, and punctuation errors are trashed, same time, comparing it to the source language to ensure the original content is rendered accurately in the target language. Contribute to editorial brainstorming, create, and maintain glossaries, terminology, research, and style guides to support project managers.

Translation, Localization, and Interpretation Roles: Beyond translation, localizing and interpreting English into Igbo, Nigerian Pidgin, and other African language pairs with a specialty in translating media-podcasts, advert campaigns, general business, interviews, research, eCommerce, gaming, academics, UI/UX, eBooks, finance-insurance, food and drink, marketing, and other content. Experienced in the use of CAT tools such as Crowdin, OmegaT, Matecate. Expert in translating audio, video, and documents to clients' desired format.

Transcription Duties: Transcribe audio and video recordings to text files, which includes board meetings, video games, academics, sermons, phone conversations. Accurately transcribe both Verbatim and non-Verbatim recordings of more than two speakers with time-stamping and notation tags within the possible TAT. Proficient use of transcription software such as Express Scribe, LOFT 2.0, Audacity, and more.

Project Administrative Assistant. **May 2008-October 2015**
Mobil Producing Nigeria, Unlimited. (Contracted by Baklang Consulting Ltd.)

Administrative and Document Control Duties: Effective calendar management, meetings, minutes of meetings, transcription, and follow-up. Coordinates correspondences, offsite events, refreshments, local and international travels, logistics, and accommodation. Collates and follows up on project and safety reports. Executes procurement expense claims. Effectively implemented company standards on project document transmission, numbering specification, and update of correspondence registers. Conversion of project deliverables into PDF and other formats. Electronic transfer of documents to and from Contractors.

EXPORT/MARKETING EXECUTIVE.

K. C. VENTURES

2015-2016

Duties: Develops marketing strategies to generate leads. Ensures goods meet international standards. Identifies and follows up on potential foreign buyers. Serves as an intermediary between foreign buyers and the company. Provides effective market research and analysis of various countries for cost and price negotiations. Works with export agents to ensure compliance with all export/fret documentation.
