Portuguese to Norwegian translator

30 years of experience in different industries, divided in different countries, in sales, development, economic, taxation, food, construction, culture, travelling, tourism and language.

**Taxation/Economic Domestic/International:**

Deep understanding and knowledge of OECD/UN Model convention about taxation and transfer pricing, where tax treaties, cross border, tax planning, PE, and domestic and international tax law are some of my aeries of ability. This, combined with accounting and audit knowledge will make me a practical candidate about jobs in these industries.

**Food:**

As a professional chef (20 years), with experience of 2-star guide Micheline restaurant, (working with 2 Bocuse d'Or winners) gourmet restaurant in Uruguay and 10 years' experience as import and export of fish company in Sweeden, I will be an asset for any company with my knowledge and experience.

**Property development:**

Have been project manager for development of house project in Bahia, Brazil and building a restaurant in Punta Del Este, Uruguay. Project last for 5 years, where main work was marketing, sale strategy, employment, budget, and operational service.

**Tourism and administration:**

Ten years' experience of winter tourism and administration of it, where I worked with Employment, inborn and out borne of employees, HR, contracts, manuals for administration, sales contract for property, booking system, price analysis, price strategy, accounting, cash flow, taxes, and insurance paper.

This, as well, employees from five different countries and culture.
