Achievements or notable contribution

Throughout my career, I have managed to do the following; classroom environment management, promoting open communication and respect among students. I believe in creating a student-centered learning environment where students feel empowered to express themselves and develop their language skills with confidence. I am dedicated to providing individualized attention to students, assessing their progress, and implementing appropriate interventions. I have actively participated in professional development workshops and conferences to stay up-to-date with the latest advancements in language teaching methodologies and other learning areas. I am well-versed in incorporating technology into the classroom and utilizing online resources to enhance teaching and learning process.
