

Senior Translators & Interpreters since 2000

Working with Phrase, SDL, MemoQ, Across

- a wide and varied team of translators, interpreters, and editors
- well-versed in 25 languages
- 1.5 million translated words per month
- 150 interpreting assignments per month

Language Solutions represents a **passionate team** of professional translators and interpreters with experience ranging from **15-20+ years** in this industry. We started small, with only a few colleagues trying to offer professional services to a limited number of clients, who very soon became the first ones to put their trust in us. Now, we are a consolidated team offering a **package of services** and providing **corporate solutions**.

The team's linguists come from prestigious educational backgrounds and have a long and varied experience in translation and interpreting services working with the government, state agencies, prestigious organizations, projects and missions. Thanks to their experience, capabilities and number, they are able to deliver over **100 translated** pages a day and cover up to **12 interpreting assignments** daily, as well as **proofread up to 200 pages**.

Language Solutions represents a **passionate team** of professional translators and interpreters with experience ranging from **15-20+ years** in this industry. We started small, with only a few colleagues trying to offer professional services to a limited number of clients, who very soon became the first ones to put their trust in us. Now, we are a consolidated team offering a **package of services** and providing **corporate solutions**.

The team's linguists come from prestigious educational backgrounds and have a long and varied experience in translation and interpreting services working with the government, state agencies, prestigious organizations, projects and missions. Thanks to their experience, capabilities and number, they are able to deliver over **100 translated** pages a day and cover up to **12 interpreting assignments** daily, as well as **proofread up to 200 pages**.

Their extensive **linguistic knowledge** combined with their experience allows them to bridge language barriers effectively, enabling businesses and individuals to connect on a global scale. The contributions of these senior professionals are invaluable as they ensure **accurate** translations and interpretations that preserve the original meaning while conveying it **fluently** in another language.
