# Profile

Looking to become a professional translator. Bringing forth excellent knowledge of the English language, including certificate of proficiency. I value the efficiency, integrity and overall quality of all my projects.

# Education

Currently in high school at Fundação Liberato Salzano Vieira da Cunha, in Novo Hamburgo, RS, Brazil.

2022 - present

I study chemistry at Fundação Escola Técnica Liberato Salzano Vieira da Cunha, renowned institution regarding quality of education and level of demand, graduating great professionals and citizens.

Elementary and Middle school at Colégio Sinodal in São Leopoldo, RS, Brazil

2016 - 2021

I've studied from the 4th until the 9th grade at Colégio Sinodal in São Leopoldo, RS, Brazil. A school that stands out for its education quality and the diverse opportunities of extracurriculars and unique experiences.

# Extra-curricular activities

English immersion program, The Fools

October, 2022

I participated in an English immersion program during a weekend in 2022. I was able to improve my English communication skills and teamwork with new people.

Receptionist, Mostratec 2022, Novo Hamburgo, RS, Brazil

October 2022

I've worked as a volunteer receptionist at Mostratec 2022, at Fenac in Novo Hamburgo, RS, Brazil. It was an opportunity to improve my communication skills, while helping English and Portuguese speakers. I could also work on my adaptability to new places and situations.

# Intention

Put my knowledge into practice

This partnership will be an opportunity to put my English knowledge into practice, as well as methods and translation platforms.

Gain experience in the field

I believe that, with this partnership, I will be able to improve my abilities on the field, as well as gain active experience.
