SKILLS

- Good grasp of computer softwares.
- Knowledge of various types of texts and subjects thanks to my studies.
- Team spirit, developed thanks to scouting
- Attention to detail and problem solving. I am always willing to learn and I do not hesitate to make extensive research to achieve my goals.
- Adaptability. Living abroad, in Thailand and Japan, has taught me how to adapt to different environments on my own.

SOFTWARES

- Trados
- Photoshop
- Excel
- Word
- PowerPoint
- Aegisub
- ...

SUMMARY

Graduated from a Master in translation in English, Chinese, Japanese and French after translating a *manhua* for my senior thesis.

Passionate about cinema, Japanese culture, volleyball, board games and video games.

Hard-working, serious and interested in languages, I want to help people communicate and discover the world through my translations.
