Summary

I am an MSc candidate in Computer Science (expected to complete by June 2024) and have a solid understanding of software development concepts, programming languages (Python, C, HTML, SQL), frameworks (Django and Flask), UML and Git. I am a member of IEEE and ACM and hold a valid AWS Cloud Practitioner certificate.

Please see my MSc e-portfolio at <http://eportfolio.etkingetir.com> to get a better understanding of my skills.

Experience

Country Manager

Livesport

Nov 2010 - Present (12 years 11 months)

My duties as the product manager of Flashscore.com.tr (ex. CanliSkor.com - the leading livescore website in Turkey; part of Flashscore.com network) include Search Engine Optimization, Social Media Management, Mobile App Promotion (Android and iOS) customer relations, translations, following sports events and checking for possible inconsistencies in livescore data and making sure the bonus offers and advertisements on the website are up to date.

Flashscore.com.tr is a product of LiveSport Media and a member of Flashscore network.

Localization Specialist

English2Turkish.net
