

**Thaís Vieira Costa Santos**

**29y, Pharmacist, Brazilian.**

**E-mail – [vieira.thais.cs@gmail.com](mailto:vieira.thais.cs@gmail.com)**

**Sorocaba - SP**

I want to have great experience with publication, writing and review scientific works, focusing on medicine. I also worked a lot with communication to physicians, by answering technically their doubts and educating them with updated medical information. I search for a new perspective using my knowledge.

### **Academic Experience**

Pharmacy – Graduated by Universidade Federal de São Paulo (2013 – 2019)

English Proficiency – Griffith College (2016 – 2017)

Medical Communication Course – Universidade Cásper Líbero (2019)

Working Experience

#### **Field Medical Lead at Novartis (2022 – 2023)**

Communicating to Medical Experts about cardiovascular prevention.

#### **Medical Information Analyst at Novartis (2019 – 2022)**

Writing technical answers to physicians about Novartis products, translating letters and searching on the main medical databases.

#### **Health Economics and Outcomes Resources Internship at Novartis (2018 – 2019)**

Using the main medical databases, produce and validate economic models for the main company products.
