EduThink

Korea Educational Translator

In my previous experience, I had the opportunity to work on a project similar to yours, where I successfully Translated Educational files from English to Korea. The project involved intricate technicalities, and I was able to seamlessly adapt to the keywords and ensure localization quality. My clients were delighted with the outcome, as evidenced by their positive reviews.

Translated 2023 - 2024

English to Korean Language Translator

During my tenure at Translated from 2023 to 2024, I served as a Korean Language Translator. In this role, I contributed my linguistic expertise to accurately translate and convey meaning in various projects. My responsibilities included translating documents, facilitating effective communication, and ensuring linguistic precision to meet the company's language requirements.
