WORK EXPERIENCE

WALTA COMMUNICATION/INFORMATION CENTER

Internship program

08/2013 E.C – 10/2013 E.C

I was able to work for two months, it was an experience which showed me how the real work life looks like in slighter way. And it gives me the chance to see the theoretical knowledge into tangible practical demonstration. I have observed and accrue how team work is vital for a job.

VISION ACADAMY

As an assistance teacher/during the year gap

03/2014 E.C – 8/2014 E.C

It was a great opportunity to have and acquire some experience of how being employed looks like and beside the life experiences I have gained from there it also helped me know how to manage my salary, communicate with co-workers, and also to develop my conflict handling and team work skills.

SOZO CONSULTING

As Linguist/ English to Amharic translator

12/2015 E.C –

05/2016 E.C

Working at Sozo is one of my best experiences. It is a great place to grow in the field, and seniors advice on the difficulty we may face.

SKILLS

Graphic design, java skill, MS word skill, team work skill, conflict handling and communication skill.

Cat tools

- Trados
- Poly glot

LANGUAGE

English – speak advanced and read/write with high proficiency

Amharic – speak fluently and read/write with high proficiency

PERSONALITY

STRENGTH

- Social life: I am Friendly, have sense of humor, communicative, adaptable behavior, have awesome world view which enables me to live and understand peoples with different backgrounds.
- Professionally: I am hand working, quality and result based, punctual, team player, humble and ready to learn

WEAKNESSES

- My greatest weakness is that I am a perfectionist. I have incredibly high standards for myself and often expect too much. This can lead to me being overly critical of myself and my work. It can also make me procrastinate because I am waiting for the perfect conditions to start something. But now I am learning to balance with practicality and time management skills.

HOBBIES

- Searching for new findings, reading books, hearing testimonies of elders/others orally or via internet.

- Browsing and reading electrical and computer engineering related materials to boost up my knowledge.
- Carryout the responsibility on which I assigned in a well manner.

REFERENCE

- *Mr. Mulukasa Bantigeg (lecturer at MWU)*
