EXPERIENCE

Absolute Translations

— Translator

I have worked for them in document and legal translations. Around 9000 documents and legal translation papers are translated by myself. My working experience with them was in a favourable environment and was very co-operative. I have translated Bengali to English for them.

Intonation

— Translator and Data Analyst

Worked in Intonation as data analyst and translator. I worked as a professional language provider for foreign athletes and tourists from the Asian region.

FTS London

— Interpreter

FTS is a company which translates and interprets for people who seek solicitors and professional support. Also worked in their admin support team.
