

HASSAN MOHAMED HASSAN

INTERPRETER

CAREER OBJECT

Efficient interpreter with over 4 years of experience delivering Rohingya, Burmese, Bengali, and English language interpretation services in various communication modes. Expert at enhancing communications, supporting in-depth cultural competence, and eliminating language barriers. Skilled at retaining the original context and meaning while prioritizing and fulfilling urgent requests. Ready to evaluate the best interpreting tactics, understand language and cultural differences, and provide efficient interpretation services for all Language Service Companies worldwide.

PERSONAL EXPERIENCE

JANUARY 2020 - PRESENT | eFFECTIFF

I'm currently work at Effectiff as an interpreter, helping people communicate over the phone and video calls. I specialized in medical, legal, and business sector. My job is to make sure everyone understands each other accurately and professionally. I handle different topics, manage multiple requests, and prioritize clear communication.

JANUARY 2021 - PRESENT | HOMELAND LANGUAGE SERVICES

With Homeland Language Services, my role involves providing remote interpretation services via phone and video calls. I focus primarily on medical and business scenarios. I ensure smooth and precise communication between individuals, managing multiple interpretation tasks and prioritizing clear comprehension.

JANUARY 2023 - PRESENT | VOYCY

At Voycy, I specialize in providing remote interpretation services exclusively in medical contexts. Utilizing phone and video calls, I facilitate clear and accurate communication between individuals. Managing various medical interpretation tasks, I prioritize ensuring thorough understanding and effective information exchange.

JANUARY 2023 - PRESENT | JEENIE

At Jeenie, I excel in delivering remote interpretation services, covering both medical and business domains. Leveraging phone and video calls, I facilitate seamless communication between parties. Handling diverse interpretation tasks in both medical and business settings, I prioritize clarity and accuracy to ensure effective information exchange.

RELEVANT SKILLS

- Language Proficiency: Mastering multiple languages for accurate communication.
- Interpretation Techniques: Proficiency in various modes adapted for remote settings.
- Technical Aptitude: Competence with remote interpretation platforms and tools.
- Cultural Sensitivity: Awareness of cultural nuances for accurate communication.
- Adaptability: Quick adjustment to different contexts and subjects.
- Communication Skills: Clear and concise verbal and non-verbal communication.
