ABOUT ME

I'm Betelihem, a native Tigrinya speaker and fluent in English. With 2 years of translation and voice-over experience, I'm a fast learner and dedicated professional. I take my work seriously, ensuring punctuality and responsibility. I strive for excellence, delivering high-quality and culturally appropriate translations. My language proficiency and commitment make me confident in contributing effectively to any project.

WORK EXPERIENCE

Oct 2023 - Present
COGNECIA NETWORKS LLP

Voice - Over Artist

As a voice artist and coordinator for the Cognegica African Locale project, I led an East African team, utilizing my fluency in Tigrinya and English. I prioritized punctuality and quality in my work, effectively managing diverse teams and providing voice-over services.

Nov 2023- Present
Processor.AI| Ginger ADC

Voice - Over Artist

I worked as a Tigrinya voice artist in the Processor.AI project, delivering high-quality audio content for media processing and acceleration.

Feb 2022- Apr 2023
Medical Teams International

Translator

I provided medical translation services, translating documents between Amharic, Tigrigna, and English to facilitate effective communication between medical teams and patients.
