**Renyi** has over 18 years of experience as an HR/industry practitioner in external business consulting and internal corporate environments across Asia Pacific, South East Asia, Oceania and India. He brings extensive knowledge in transformation, culture change and employee engagement across people and change initiatives from his time in consulting practice with PricewaterhouseCoopers (PwC).

In his corporate roles, Renyi has been responsible for organisational development, covering talent management, competency development, culture and workforce planning, working closely with the business to enable these initiatives across global and Asia-Pacific roles.

Renyi holds an MBA in International Business from Nanyang Technological University (NTU) and Hon. (1st Class) Bachelor of Business in Human Resources from NTU. He is a certified Design Thinking Facilitator and holds an Executive Certificate in Business Sustainability Strategy with MIT Sloan School of Management. Outside of work, he loves reading, swimming and astronomy.

Renyi is also an Associate Trainer in areas such as Career, Innovation, Copywriting, People Management and Leadership skills. Outside of work, he loves writing, reading, and facilitation.
